1. STATUS OF THE BRANCH

The Liquor Distribution Branch obtains its authority for operation from the Liquor Distribution Act which was administered by the Ministry of Finance and Corporate Relations, until July 31, 1987. On this date, the responsibility for the Liquor Distribution Branch was transferred to the Ministry of Labour and Consumer Services. As stated in Section 2 of this Act, the Branch has the sole right to purchase both in and out of the Province liquor for resale and reuse in the Province in accordance with the provisions of the Importation of Intoxicating Liquors Act (Canada).

2. SIGNIFICANT ACCOUNTING POLICIES

As prescribed by Section 18 of the Liquor Distribution Act, the financial statements of the Branch are prepared in accordance with generally accepted accounting principles.

The financial transactions of the Branch, after adjustments for differences in accounting policies from those of the Government, are included in the Combined Financial Statements of the Government of the Province of British Columbia.

Significant accounting policies followed in the preparation of these financial statements are:

a) Inventories are valued at the latest landed cost.

b) Fixed assets are depreciated on a straight line basis as follows:

Buildings	- 7½% per annum
Leasehold Improvements	- a minimum of 10% per annum or a rate sufficient to write off the cost over the remaining life of the respective lease.
Furniture, Fixtures, Vehicles & Equipment	- 25% per annum

4. SALES—*Continued*

The Branch has authorized the brewers' agent to sell directly to licensees, licensee retail stores and agency stores. The Branch has also authorized brew pubs to manufacture and sell directly to the public. The Provincial Malt Levy reported on the income statement represents the margin on these sales.

The Branch has agreements with estate wineries which allow them to sell directly to the public, licensed establishments and licensee retail stores. Proceeds from the estate winery on-site sales accrue solely to the estate winery operator, while the Branch receives 5% of retail value of off-site estate winery agency store sales. The 5% remitted to the Branch is included in the income statement as other income.

Total sales of liquor in the Province do not include subsequent resale by licensed establishments, licensee retail stores and agency stores.

5. COMMITMENTS

a) Federal Taxes

The Branch maintains inventory in its bonded warehouse for which federal taxes have neither been paid nor recorded in these financial statements. As at March 31, 1988, the future liability for these taxes approximates $8,000,000. These taxes are payable when inventory is shipped from the bonded warehouse.

b) Lease Premises

Total commitments as at March 31,1988 for lease of premises are as follows:

Year ended March 31, 1989	$ 8,565,000
1990	7,770,000
1991	6,726,000
1992	5,455,000

Subsequent years	15,390,000
TOTAL	$48,302,000

6. CONTINGENCIES

Agents' Stocking Program

The Branch has authorized suppliers' agents to import and warehouse liquor for subsequent resale to the Branch. Under this arrangement, the Branch has a contractual obligation to purchase all inventories held by the agent should he opt out of the program. As at March 31, 1988, the value of agents' inventories totals approximately $25,000,000 and the future liability for federal taxes thereon is $14,000,000.

7. SUPERANNUATION FUND

The Liquor Distribution Branch is an approved employer under the Pension (Public Service) Act. Eligible employees of the Branch contribute to the Public Service Superannuation Fund at a rate of 4.25% of pensionable salary up to the year's maximum pensionable earnings as defined in the Canada Pension Plan and at a rate of 5.75% of pensionable salary in excess of the year's maximum pensionable earnings. An additional 1.25% of pensionable salary is deducted and used to finance the payment of inflation adjustment supplements. In addition to matching the employees' contributions, the Branch contributes an additional 2.5% of pensionable salary for basic pension benefits.

An actuarial evaluation of the Public Service Superannuation Fund was made at March 31, 1984. Details of the unfunded liability are described in the Public Service Superannuation Fund financial statements included in the Public Accounts. The portion of the unfunded liability attributable to the Liquor Distribution Branch was not determined by the actuary.
